3) Discussion of Time Table

To this issue Dr. Anurag suggested that there may be a mutual exchange / adjustment of classes among the teachers teaching same subject with prior permission of the principal so that the students do not suffer and the syllabus be completed on time. Dr. Sheojee further suggested that a pool of resources consisting of teachers offering to take the classes voluntarily be created for the above purpose. Dr. Balwinder proposed that the students of M.Ed IInd year may also be given the opportunity to interact with B.Ed students and give them exposure of teaching B.Ed.

4) Engaging PGDG&C class

5) Attendance in curricular / Co – curricular activities

6) M.Ed Admission

All committee members expressed their concern about the decline in the number of M.Ed Admissions. It was discussed that the high course fee was a significant factor for students not taking admission in the college and preferring other institutes as compared to our college. It was decided that a strong proposal be sent to the DHE demanding equivalence of M.Ed course fee with Panjab University and other private colleges of Chandigarh. Principal instructed Dr. Balwinder Kaur (M.Ed. Incharge) to take suitable action immediately.

7) To review the examination attendance
