Core democratic values are the fundamental beliefs and Constitutional principles of American society, which unite all.

Our India is a country with various languages, culture, religion tradition and geographic differences. Apart from this there is a feeling of togetherness and unity.

In the past there has been a poor integration which the history remembers until now. Thus after independence, several measures were taken by the Jawaharlal Nehru government to implement the idea of national integration, by setting up the national integration council in 1961.

(Dr. Gulshan Sharma)

An enthusiastic and energetic resource person, Major Dr. Gulshan Sharma enlightened the students about the essential requirement of skills along with qualification degrees to become a true professional. In the contemporary world, it is essential to have valuable life skills. Education devoid of any opportunities to nurture and enhance skills does not give room for children to grow into well rounded individuals. An all round balanced development of cognitive, social and emotional skills is a must to succeed in modern life. The pupil teachers consisting of students of B.Ed, M.Ed and Diploma students of Guidance & Counseling were awestruck with the optimism and hope that the resource person brought in front of them. Sir explained how he thought that he was 17 at 71, full of dreams and hope for the nation. The importance of effective time management was explained and the pupil teachers were motivated to set the goal of becoming the best in their profession. Confidence building and personality development activities were also organized during the session to boost the morale of the pupil teachers. The responsibility of nation building and future shaping by teachers was also discussed with the pupil teachers. Dr. Sharma coached the pupil teachers through his life journey, "Anything and Everything is possible."

Keeping these intentions in mind, it was explained that the International Chamber of Service Industry with the support of Chandigarh Administration has taken the initiative of making Chandigarh an Innovative Education and Skills Hub of Asia. The audience gave a standing ovation in respect of the highly experienced resource person. Major Dr. Gulshan Sharma even shared his phone number with the audience to take valuable insights/feedback from the students to transform Chandigarh into an Innovative Education Hub.

The formal vote of thanks was delivered by Mr. Ravinder Kumar (Member) Skill-in-Teaching Committee. The event ended with the singing of the National Anthem.
