

## **GOVERNMENT COLLEGE OF EDUCATION, SECTOR-20-D, CHANDIGARH**

### **Report regarding visit to Science Centre & Panorama and Planetarium' along with 'Science Park' at Kurukshetra on 28.5.2022**

Department of Science & Technology & Renewable Energy, Chandigarh Administration sanctioned Rs. 20000/- vide letter no. S&T&RE/SC/Sanc/11/2021/1041-1048 dated 5.11.2021 to Science Club- 'NAVONMESH' of Government College of Education, Sector-20-D, Chandigarh.

Under this programme, Science Club- 'NAVONMESH' organised a field visit of member students of the club to Science Centre & Panorama and Planetarium' along with 'Science Park' at Kurukshetra on 28.5.2022 to get the practical knowledge of various principles of science. 43 students and 7 staff members visited the science centre. All the concerned students and staff were asked to report at the starting point in the college on 28.5.2022 morning. The bus started at 7.55am and reached Kurukshetra around 10.00 am. All the students and staff visited Brahasarovar and had breakfast after which they proceeded to Sri Krishna Museum and Science Centre and Panorama. The students observed the various models, instruments and exhibits related to science and had hands on experience on working models depicting various principles of Physical Sciences. Life Sciences and Astronomical Sciences. The students keenly observed the things displayed there and enjoyed the session thoroughly. In the afternoon, after lunch, the students proceeded to Kalpana Chawla planetarium and watched the campus from outside as it was closed due to some technical reasons. They enquired about the various facilities at Kalpana Chawla Planetarium and Astronomy park with 3-D dome-theatre from the staff present there.

Finally, the group visited Jyotisar-the place of origin of the Bhagavad Gita and returned back to the college campus by 9:30 p.m.

Some of the photographs of the event at various points of journey are attached herewith for your kind information.
