

## GOVERNMENT COLLEGE OF EDUCATION, SECTOR 20-D, CHANDIGARH

### Systems and procedures for maintaining and utilizing physical, academic and support facilities:

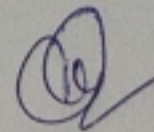

Government College of Education, Sector 20-D, Chandigarh meticulously upholds its commitment to maintaining a robust physical support infrastructure by leveraging the expertise of various government maintenance departments. With a keen focus on excellence, we ensure that our classrooms, laboratories, library and other buildings receive top-notch care and attention through collaboration with these dedicated departments.

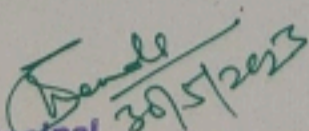

Furthermore, our unwavering dedication to efficiency extends to the management of electricity and water-related maintenance, seamlessly coordinated with the respective government water supply and electricity departments. The meticulous care of our buildings, encompassing both structural and functional aspects, is entrusted to the capable hands of the Government engineering departments.

In the realm of academics and support facilities, including the vital realm of computers, information and communication tools, and electronic devices, our operations adhere closely to the established GFR rules. We are proud to follow the comprehensive guidelines and directives set forth by the Chandigarh administration, ensuring a standardized and dependable approach to maintenance.

Our commitment to excellence extends beyond the physical domain. The everyday upkeep of all available resources and infrastructure is entrusted to our dedicated care-taker, ministerial staff and diligent laboratory attendants. Their tireless efforts contribute significantly to the seamless functioning of our institution.

Even the sports grounds, crucial for the holistic development of our students, receive meticulous attention from our dedicated College Gardeners (Malis) and game personnel, all under the vigilant supervision of our College Sports Department. This collective dedication to maintaining our facilities ensures an environment conducive to growth, learning, and the pursuit of excellence.
