

Alumni feedback 2022-23, GCE20D, Chandigarh

Name of the Alumnus	Som dutt	SHIWETA SENGAR	Abhilasha	Monika Vaid	Tejinder	
Would you recommend your near and dear ones to join this Institution for academics?	Yes	Yes	Yes ofcourse.	Yes	Yes	
How would you like to contribute for the growth of the college?	I would like to give suggestions under this point that at least those candidates should be given school teaching jobs after completing their B.Ed. degree who really come and take admission for future to be secured and college needs to recommend the names of these candidates every year so that atleast 50% placement may be done.	As alumni of this college I would start with small efforts and encourage active participation in the field of education and spread awareness about the college and would recommend this college and use technology as an advantage. Also whatever possible efforts has to done to take the college to the greater heights I would be happy to do that.	Would love to be a part of its activities and render a helping hand	We keep praising our alma mater among the young aspirants	Yes	
Usefulness of knowledge gained	5	5	5	5	5	
Impact of classroom teaching	5	5	4	5	5	
Usefulness of practical training	5	5	5	5	5	
Support you are getting from the college in work life	5	5	5	5	5

Designation	Assistant professor Mathematics		Lecturer in English	Lecturer in English	Tgt English	
Work Experience in Years	More than 10	Presently not working	More than 10	More than 10	More than 10	
How can the curriculum be improved for the future professional growth of the pupil teachers?	By giving opportunity to pupil teachers to teach themselves by taking 30% classes of B.Ed. by PPT presentations- Self learning concept	According to me Government has done a tremendous change for the professional growth of teachers already which is actually helping the prospective teachers so for now the curriculum has already been improved by the MHRD.	Curriculum is fine	Confidence building activities should be increased..more exposure to public speaking can be given.	By focusing on vocational Education	
Please give your suggestions for improvement of teaching learning process on the basis of your experiences	New rule should be implemented : 01 TG incharge for 03 pupil teachers so that critical evaluation may be done of their pupils by TG incharges	Teaching Learning process presently is very practical as well as theoretical and updated with the use of ICT which is proving very good to the youth and the nation builders.	I think that a lot of changes have taken place in the pasr few yearsand the learning process has improved	Time and work management skills should be developed.. PTs should be ready forulti tasking	No suggestion
