

Government College of Education, Sector 20 D. Chandigarh.

Report of Value Education Assembly TG1 Held on 01.11.2021

On November 01, 2021, value education assembly was organised by Tutorial group 1 at the auditorium of Government College of Education, Sector 20 D Chandigarh. Tutorial Group 1 consists of six students, Anshu, Sonam Bhatia, Aparajit Thaapar, Kalpana, Tashi and Naveen who were guided by TG Incharge Dr. Anjali Puri.

Aparajit and Anshu who were compering for the event welcomed the guests at the auditorium and the assembly began with the blessings and permission by the Respected Principal of the college. No activity in this world can begin without the remembrance of the almighty. So with the invocation to the God through a prayer: "Itni Shakti Humein De Na Daata" the event was put to a start.

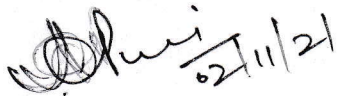

With the festival season almost at the doorsteps the theme of the event was based on the festivals as well. Diwali the biggest festival that is celebrated by more than a billion people around the globe was the one that was discussed in a speech by Aparajit. It is said that "A thought shapes the vision and what one sees is what they choose to see." A thought definitely has the power to change the world by developing a process in the minds. Tashi with these very intentions delivered a thought on the celebrations of Diwali. Followed by Tashi, Kalpana captured the mic to present a poem on the continuing topic of Diwali. Next up ahead, a song that was prepared by the TG1 that was related to the miraculous celebrations of Diwali by one of the renowned saints of India, Sai Baba.

Vishwakarma Jayanti is a day of celebration for Vishwakarma, a Hindu god, who is considered the divine architect and is regarded as the creator of the world and is said to have created the Lanka of Gold, Dwarka for Lord Krishna and Indraprastha for the Pandavas. On this very same topic the insights were shared upon by Sonam through a speech. Bhai Dooj is a festival that is celebrated two days after Diwali the celebrations are similar to the festival of Raksha Bandhan as the reason behind the festival is to honour one's siblings. News is what connects one with the world, Aparajit read the headlines of the day.

As the day before the event was celebrated as Rashtriya Ekta Diwas or National Unity Day, that commemorates the birth anniversary of Sardar Vallabhbhai Patel, India's first Home Minister, who played an important role in persuading many princely states to join the Union of India, a speech on the same topic was announced by Sonam. Progressing further the event was followed by a Pledge by the volunteers of NSS for celebrating Green Diwali and not using crackers in the forthcoming festivals.

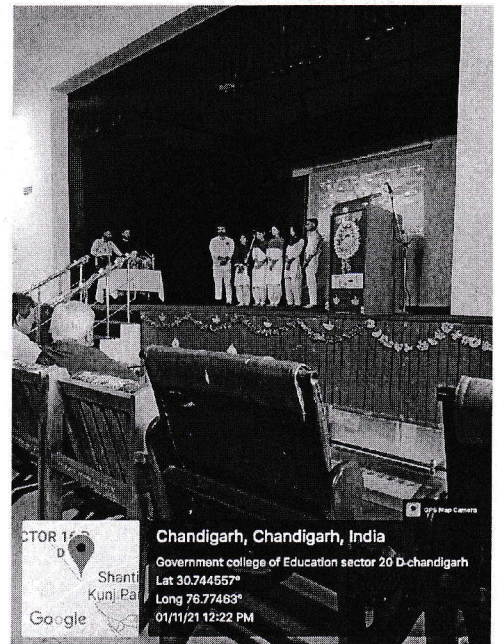

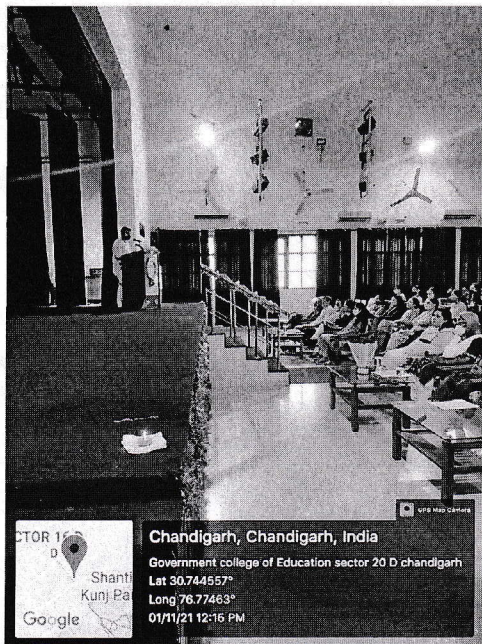

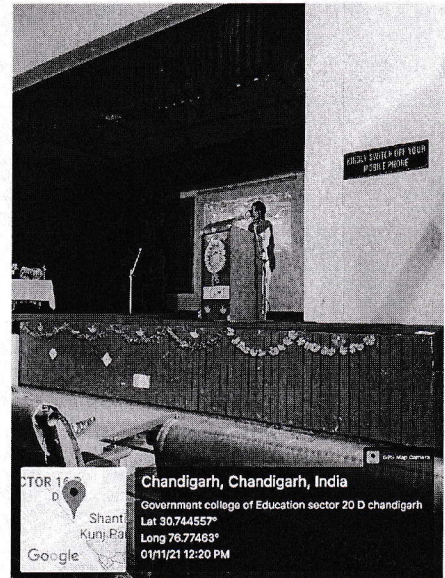

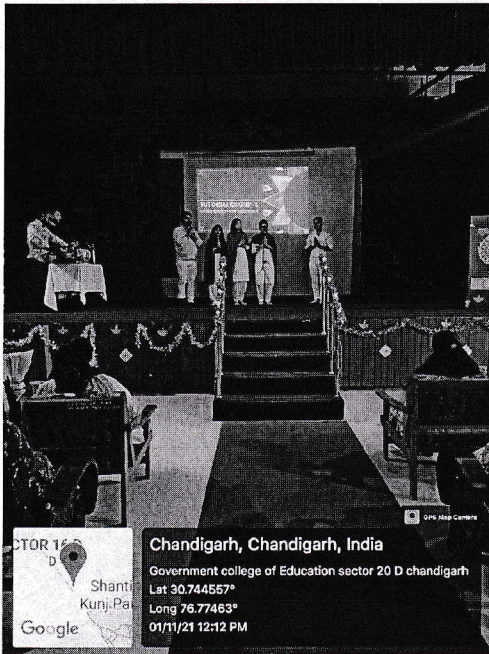

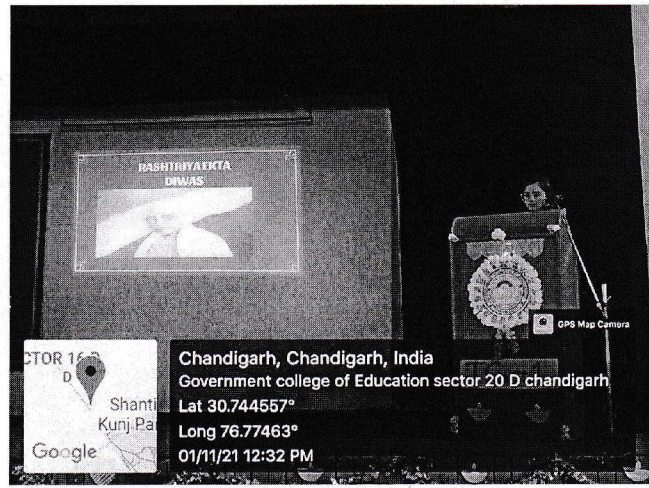

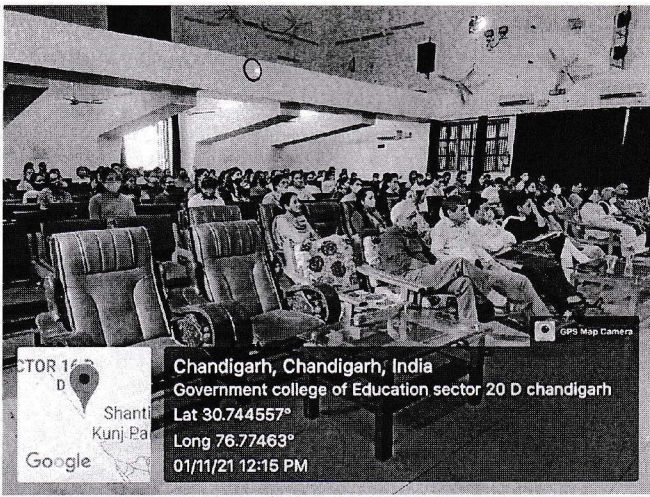

Dr Anjali Puri took the stage and presented a documentary on Diwali along with a speech. Then Respected Principal of the college interacted with the students, congratulated them for the festive season and explained various rules and regulations of the college. The assembly ended on the note that, "A good event never ends in the world they take only a pause and keep us awaiting for the next."
