Nisha	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	Disciplined teacher, Full of positive thoughts, unbiased teacher. When our presentations session is going on so that time i learnt so many things from him. Example, one student said some words like lower caste, untouchable people so he immediately told that student to use 'disadvantage class' words rather than than to use these words. So i seriously inspired him, like we are under a such a wonderful teacher. He prepares us what to speak in our society. When he start to speak so i am like why i didn't think like him. But yes i learnt so many things under his leadership
