| | |
|------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Teaching and Learning | Regular classes are conducted according to a well designed and balanced timetable keeping in view the psychological aspects of learning. Teaching process for B.Ed., M.Ed., and Post Graduate Diploma In Guidance And Counseling course takes place in a smooth and interactive way with integration of ICT. Students are encouraged to participate in classroom discussions and present their views on the topic under discussion. Students are given assignments and sessional work to make an objective assessment of their understanding. Curriculum Development in accordance with the prescribed syllabi of Panjab university, the curriculum transaction strategies is carefully planned. All the academic activities are scheduled semester wise in a systematic way before commencement of an academic session. |
| Research and Development | Quality education and research are two indispensable aspects of any Teacher education program. The college has capable and committed faculty that engages in research and extension activities. At the institutional level, various international, national and regional level seminars/webinars, workshops are conducted in which contemporary issues related to education are deliberated upon. Many extension lectures by experts are also organized to benefit students for equipping them with best of the knowledge and fostering their critical thinking skills as these lectures give them opportunity to interact with the experts. The college is serving as a research center of Panjab University for conducting pre Ph.D. coursework classes in each academic session since 2016. The college brings out a research journal The Educational Beacon every year, which invites and publishes high quality research papers |
| Co-Curricular Activities | Due attention is paid on the co-curricular aspects of teacher development program and these aspects are included diligently in timetable. Value Education and Societies Periods are integral part of timetable and students get adequate exposure to participate in Intra college, Inter college activities, Zonal and Inter Zonal Youth Festival etc. |
| Human Resource Management | In consonance with NCTE guidelines administrative directions, the institution has efficient faculty members. The college has an adequate number of non-teaching staff which includes office staff and other supporting staff members. The faculty members are competent and committed towards their assigned duties. The supporting staff complement in all undertaken endeavors by rendering their services very efficiently. |
| Industry Interaction / Collaboration | College has a pro-active placement cell which targets this aspect of quality initiatives. The cell organizes visits to employment exchange an insight for job opportunities as per the qualifications of students. Meritorious students are recommended for teaching jobs as advertised by different schools. Also, extension lectures are organized by experts in the field of career counseling to keep students abreast with emerging fields of study and specializations for wider scope in work sector. |
| Admission of Students | Centralized admission is conducted by Panjab university in online mode. College strictly adheres to the norms as laid down by the Panjab University, Chandigarh. Student admission takes place purely on merit basis and reservation rules are followed. Seats are distributed as per the subject combination matrix. A well deserving candidate fulfilling all eligibility condition secures a place for himself/herself in this prestigious institution. |
