

**MEMORANDUM OF UNDERSTANDING**

**Organic Sharing Foundation**

**&**

**Government College of Education, Sector 20D, Chandigarh**

This memorandum has been signed on dated **31.05.2023**

**1. Organic Sharing Foundation**

Organic sharing is a Non-profit organisation founded by Mr. Rahul Mahajan in 2015. Rahul Mahajan a keen environmentalist initiated Re-Transplantation drive of old and abandoned trees for the first time in Northern India and has proudly transplanted more than 150 trees. Organic sharing holds a vision to not only educate the residents the importance of environment and organic farming but also encourages them to go back to the roots by organising various events and workshops. Organic sharing actively distributes more than 10 thousand saplings of fruits, flowering shrubs and avenue trees in tricity every year which also includes schools, colleges, RWA and helps them in promoting organic kitchen Garden and composting in their respective campus.

Organic sharing has also initiated variety of activities like growing of mushrooms, vegetable and flower saplings with inmates of Model Jail, Burail. Organic Sharing also motivates the 'Green Heroes' for relentlessly working for the betterment of the environment by honouring them with the Fieldman Green Award. The foundation welcomes the young environmentalists to come together and work dynamically for the better future.

The National Assessment and Accreditation Council (NAAC) had accredited Grade 'A' to this College. The National Council for Teacher Education has sanctioned two unit of B.Ed. (50 seats each) and One unit of M.Ed. (50 seats) both 2 years courses, Post Graduate Diploma in Guidance and Counselling. The college also runs 6 months Pre Ph.D. course work for research students in Education.

The college has spacious campus containing well maintained lawns, playgrounds and separate hostels for boys and girls. It provides excellent library service. The Government Model High School and Government Model Senior Secondary School, Sector 20-D, work as experimental schools for the college.

A number of dimensions have been added to the teacher training program so as to make it as comprehensive as possible. The syllabus prescribed by the Panjab University, Chandigarh is enriched by seminars, workshops, community activities, educational tours and numerous modes of other practical work.

Both the parties have agreed to work together in the following fields:

1. The Government College of Education, Sector 20-D, Chandigarh and Organic Sharing Foundation shall facilitate and assist each other regarding resources, awareness and tree plantation drives, rallies, educational visits/trips, to sustain and protect environment.
2. The Government College of Education, Sector 20-D, Chandigarh and Organic Sharing Foundation would extend infrastructural facilities for the conduct of workshops and skill training and both the parties may nominate faculty, resource persons and students to various seminars, training sessions, faculty development programs and conferences being organized by respective parties.
3. The Government College of Education, Sector 20-D, Chandigarh and Organic Sharing Foundation shall facilitate and provide opportunities for exchange and progress to create awareness and conduct lectures/ seminars/ workshops, training sessions regarding environmental awareness, concepts of reduce, reuse and recycle, disaster management, pollution free and plastic free environment, sessions on termite control of trees, promotion of handicrafts, e-waste management and other topics of interest, for the benefits of the students and faculty.
4. The Government College of Education, Sector 20-D, Chandigarh and Organic Sharing Foundation will collaborate for interdisciplinary activities as mutually agreed like horticulture, Green house installation, organic farming, hanging gardens, best out of waste and green initiatives.
5. The MOU does not accrue any financial liability on either of the parties and can be terminated at any time.
