Nisha	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	5	Taking about Nisha ma'am she is quite different from other teachers because her focus is on practical approach rather than theoretical approach, which i found very good. Initially, i felt like ma'am assigns tasks everyday, but now i feel like its good for us. We are relating things very well in her class. There is a different environment in ma'am's class. In future, i definitely want to become like ma'am.
