

## **Government College of Education, Sector 20D, Chandigarh**

### **Action Taken Report of Internal Quality Assurance Cell 2023-24**

**1. Environment Sustainability measures:** Following measures were taken during the session for protection of environment and beautification of campus:

- Improvement of waste management measures including timely collection of waste materials.
- Marking on roads and trees alongside the road
- Providing more facilities for vermicomposting
- Plantation drives to increase green cover within the campus
- Installation of more lights in the dark corners of the campus

**2. DVV and Peer Team Visit for NAAC accreditation:**

SSR was submitted timely one week before the deadline. DVV clarifications were also timely submitted. The preparations for the upcoming NAAC accreditation visit are being made. It is ensured that preparation for the visit should be meticulous and comprehensive.

**3. E-content Development:**

The importance of developing high-quality e-content for enhancing the learning experience was emphasized. The following steps were taken:

- Upgradation of E-content Studio
- Identifying subject matter experts to create e-content for various courses.
- Establishing an organized subject wise repository to store and disseminate e-content on the website.

**4. Organization of Various Events/Professional Development Activities:**

Following initiatives were undertaken to enhance learning management within the college:

- A workshop on National Credit Framework was held on October 5, 2023 by Dr. Nirmaljeet Singh Kalsi, IAS (Retd.), Chairperson National Council of Vocational Education and Training.
- A week long Faculty discussion on NEP 2020 was held on 16.11.23 to 24.11.23.

- Various webinars and conferences were organized.

**5. Infrastructure Updates:** Following updates were made during the session:

- Strengthening the Mathematics Lab
- Cementing of basketball Court and installing floodlights
- Repair of auditorium
- Upgradation of IQAC room
- Upgrading Placement Cell

**6. Research Resource Centre:** A centralized research consortium was made in Research Resource Centre with all the required books, journals, surveys and software etc.
