

## GOVERNMENT COLLEGE OF EDUCATION, SECTOR 20-D, CHANDIGARH

**Pariksha Pe Charcha: 2021**  
**Date: 07.04.2021**

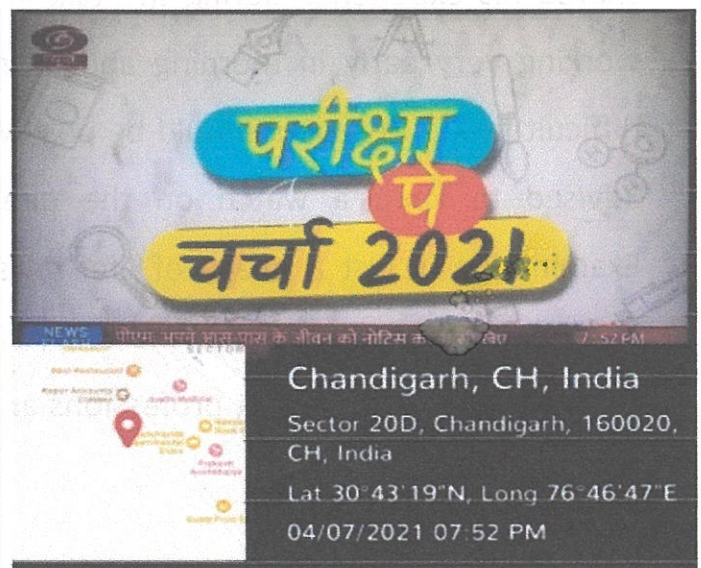

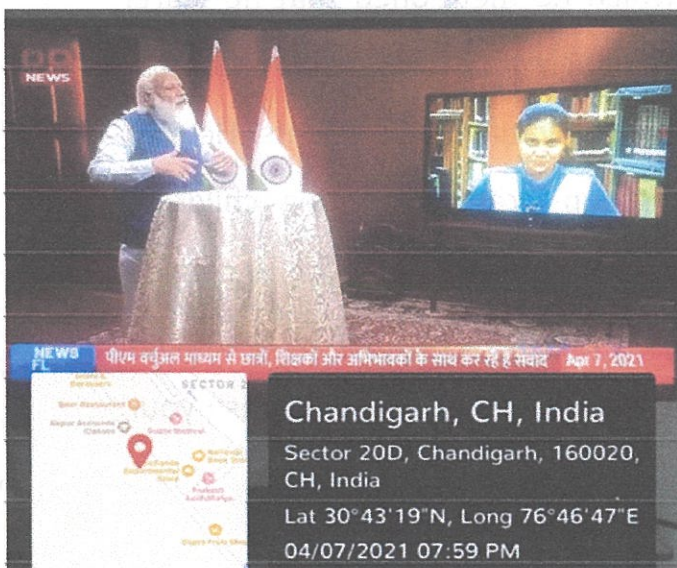

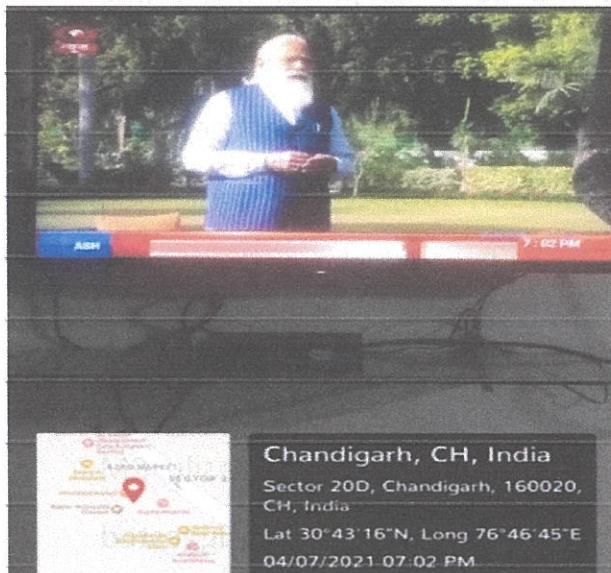

As per the instruction of State NSS Cell, Chandigarh, NSS unit of College organized a programme for NSS volunteers to participate in a telecast programme on 'Pariksha Pe Charcha' on 07.04.21 at 7.00 pm. Hon'ble Prime Minister Narendra Modi interacted with all the students, teachers and parents on many issues about examination. Due to the Covid-19 pandemic, Prime Minister used the virtual mode for this programme. He gave many suggestions and tips for appearing fearlessly in examinations. Many students, teachers and parents asked the questions related with exam fear, subject fear, junk food and other disagreeable habits of their children. Parents should not treat students and children as instruments that they need to tune as per their own expectations. Instead, they should try and help the children imbibe good values and habits that in long run will help them achieve these tasks easily. PM also advised the parents to talk to their children regularly and also suggested to use good books, movies and songs to inculcate healthy habits amongst them. This will motivate children to start doing these good things regularly. He shared his experience during the talk in which he mentioned that he starts working very early in morning and spends much time in solving the most difficult tasks. Teachers should be positively motivating the students. He also advised to keep a watch on the peer group pressure among children. Examination is just a phase of life, he said. To help prepare for upcoming challenges, PM Modi has advised every student to observe their surroundings and notice about different professions and their nature of jobs. Increase your skills and then join a field.

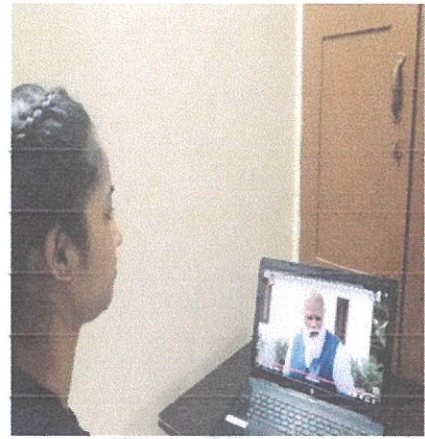

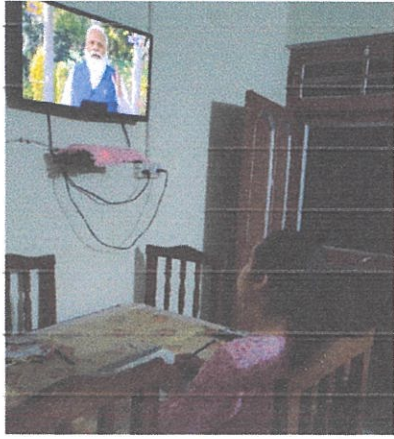

Principal, Dr. A.K Srivastava encouraged all the volunteers and faculty of the College to attend the programme. All NSS volunteers of the College were informed well in time. More than 108 volunteers, Principal Sir, teaching faculty and programme officers attended enthusiastically the session on 'Pariksha Pe Charcha' delivered by the Hon'ble Prime Minister. The programme officers supervised the volunteers virtually.
