

## GOVERNMENT COLLEGE OF EDUCATION, CHANDIGARH

EXTENSION LECTURE REPORT Oct 14, 2023

***“Strategy to crack UGC NET 2023 & CTET in the first attempt”*** By Dr. Priyanka Sharma

Govt. College of Education, Chandigarh organized an extension lecture for all the B.Ed., M.Ed. and PGDG&C students on 13-10-2023. The lecture on the theme *“Strategy to crack UGC NET 2023 & CTET in the first attempt”* was organized in the seminar room of the college. Talk was delivered by Dr. Priyanka Sharma.

Dr. Sapna Nanda, principal of the college; Dr. A.K. Srivastava, dean of the college; Dr. Nisha Singh, incharge extension lecture committee and Dr. SumanKhokhar facilitated the smooth execution of this extension lecture. Dr. Priyanka Sharma is Ph.D in Education, M.Phil, M.A., M.Ed, and NET qualified in Education and English. Besides, she has also authored 2 Books on UGC NET Education Paper 1 and Paper 2. She also, is a mentor for CSAT Prelims.

In her lecture, she explained the importance and scope of NET in our country. She also emphasized the fact that everyone needs to be financially independent in their life. Then, she discussed in detail the pattern and syllabus of UGC NET Education Paper 1 and Paper 2. She concluded her lecture by giving tips to crack UGC NET and CTET exam by discussing about the distractions that holds a student back and ways to overcome those distractions.

Students actively participated in the discussion and asked queries related to the exam, which was answered by the mam. The event was organized successfully.
