

GOVERNMENT COLLEGE OF EDUCATION

SECTOR-20D, CHANDIGARH

REPORT WORLD OZONE DAY (16th Sep, 2022)

The NSS Cell of Govt. College of Education, Chandigarh observed with dedication the World Ozone Day. **Theme for this year is Montreal Protocol@35: Global Cooperation Protecting Life on Earth.** Principal Dr. A. K. Srivastava oriented the students of M.Ed and PGDG&C and the faculty on importance of observing the day and bringing life style as close to environment friendly way as possible. Abha Jain the group leader from M. Ed. led the pledge taking that expects each one to not do environmental blunders and take charge to make the world a better place to live. (The given pledge by GOI). The NSS POs thanked the students and encouraged them for a committed social and environmental responsibility. The students of B.Ed 3rd Semester placed for internship in different govt. schools of Chandigarh also conducted the pledge taking activity during the morning assembly in their respective schools.
