### Report on Interactive session of Dr. Vishal Kataria, Alumnus, Government College of Education, Chandigarh on 1/8/2023

An interactive session of Dr. Vishal Kataria, Principal, DPS, Ajman, UAE and Alumnus of the college was held on 1/8/2023 in college auditorium at 12.30pm. 76 students and staff members attended the session. The session started with introducing Dr. Vishal to the students. Dr. Sapna Nanda, Principal, welcomed the guest formally. Dr. Sanjeev Kumar introduced the guest and managed the stage activities. Dr. Vishal in his interaction motivated the students through his experiences and his journey after attaining the education. He impressed upon how he started as a teacher and reached to the level of Principal in such a young age and that too in some other country. Further he talked about the characteristics to become an effective teacher by mastering the art of teaching. He touched various strategies like, knowing your students, creating a positive learning environment, effective planning, differentiated instructions and assessment and feedback. The interaction was quite extensive and students not only enjoyed it but also gained a lot of new things from it. Dr. Vishal was mesmerizing and created a positive aura in the auditorium. The session ended with question answer session and vote of thanks by Dr. Sanjeev Kumar.
