Report on National Science Day 28/02/2022

National science day is celebrated every day to commemorate the discovery of Raman Effect by our Nobel Laureate Sir C. V. Raman in 1928. This year the theme of national science day celebration is 'Integrated Approach in Science and Technology for Sustainable Future'. Prime Minister Sh. Narendra Modi on the occasion of National Science Day greeted all scientists and science enthusiasts. He said that "Let us reaffirm our commitment towards fulfilling our collective scientific responsibility and leveraging the power of science for human progress." Keeping the theme of the National Science Day 2022 in mind College celebrated the day by organising a talk by the Dr. Punam Bansal, Associate Professor. She delivered her talk on the topic: **SUSTAINABLE DEVELOPMENT THROUGH SCIENCE EDUCATION**". She explained different aspects of the sustainable developments to which the students responded enthusiastically by clarifying their doubts. The session ended with the vote of thanks by Ananya Singh, B.Ed -III student. She on behalf of College, principal and faculty members and students thanking our chief guest Dr. Punam Bansal, who honoured the function thanked the resource person for her inspirational thought provoking ideas and ended the talk by an inspirational quote by Sir C.V. Raman

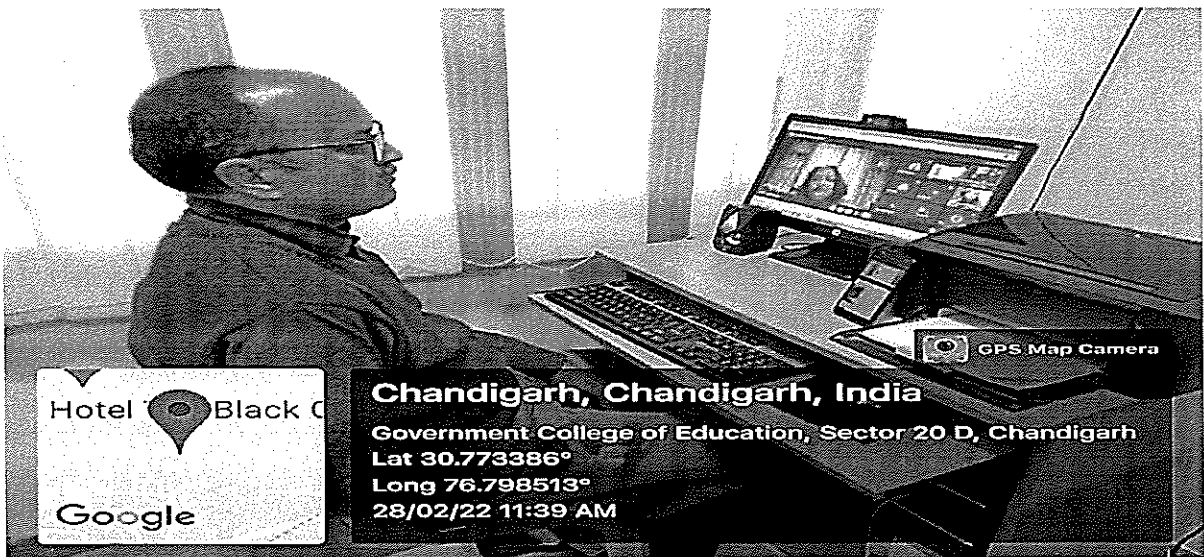

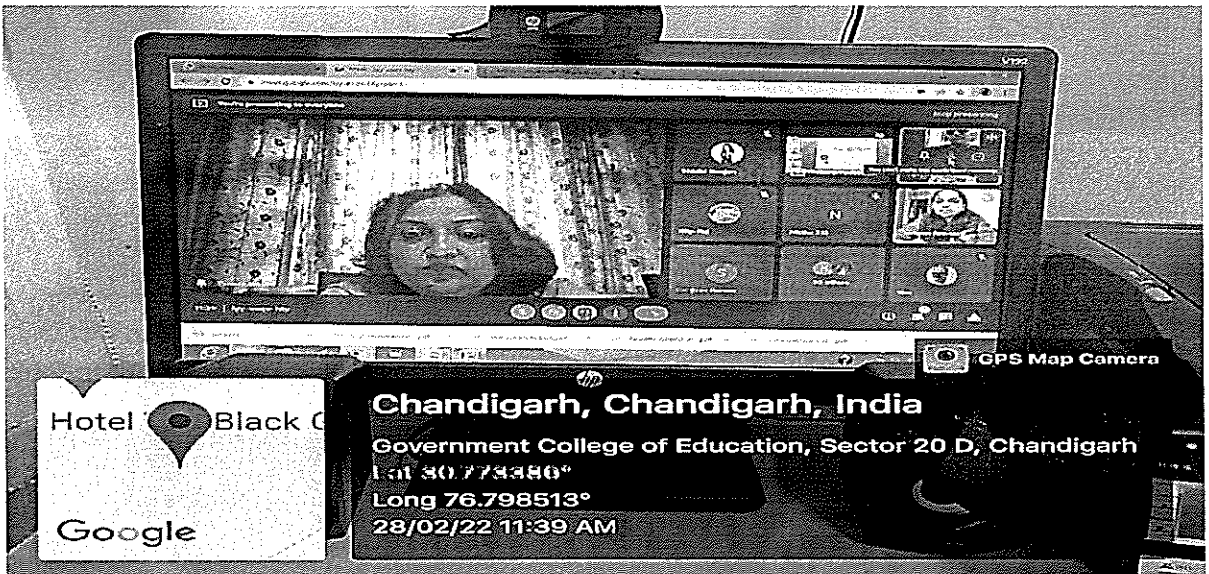

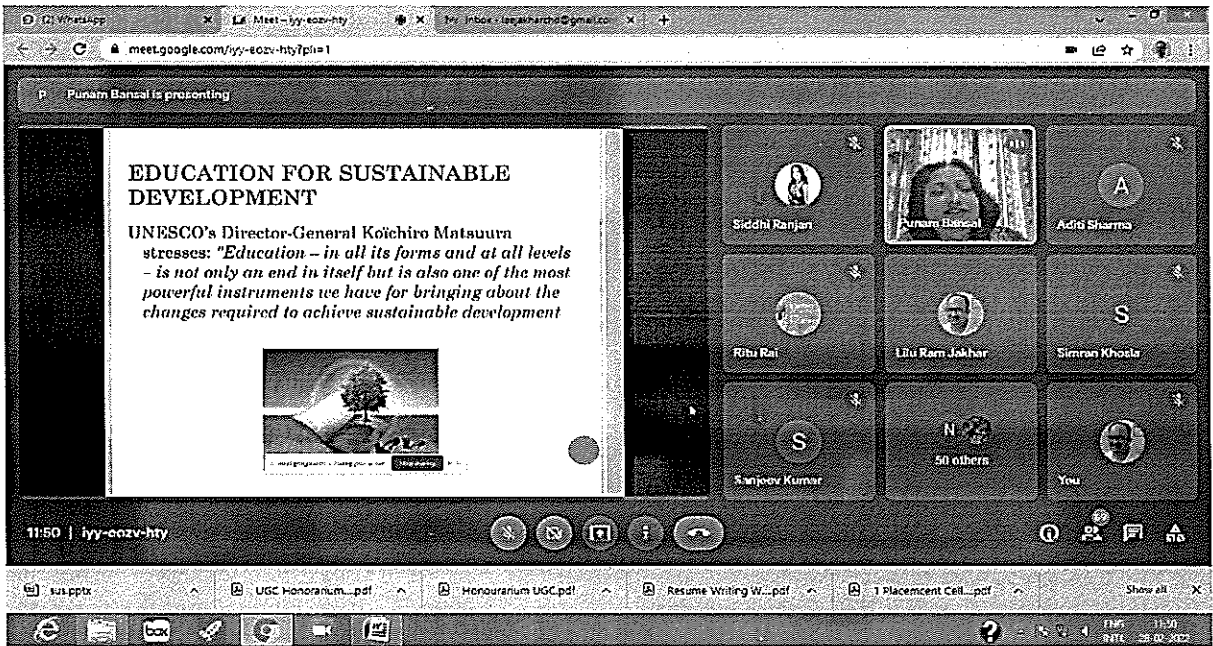

"Ask the right questions

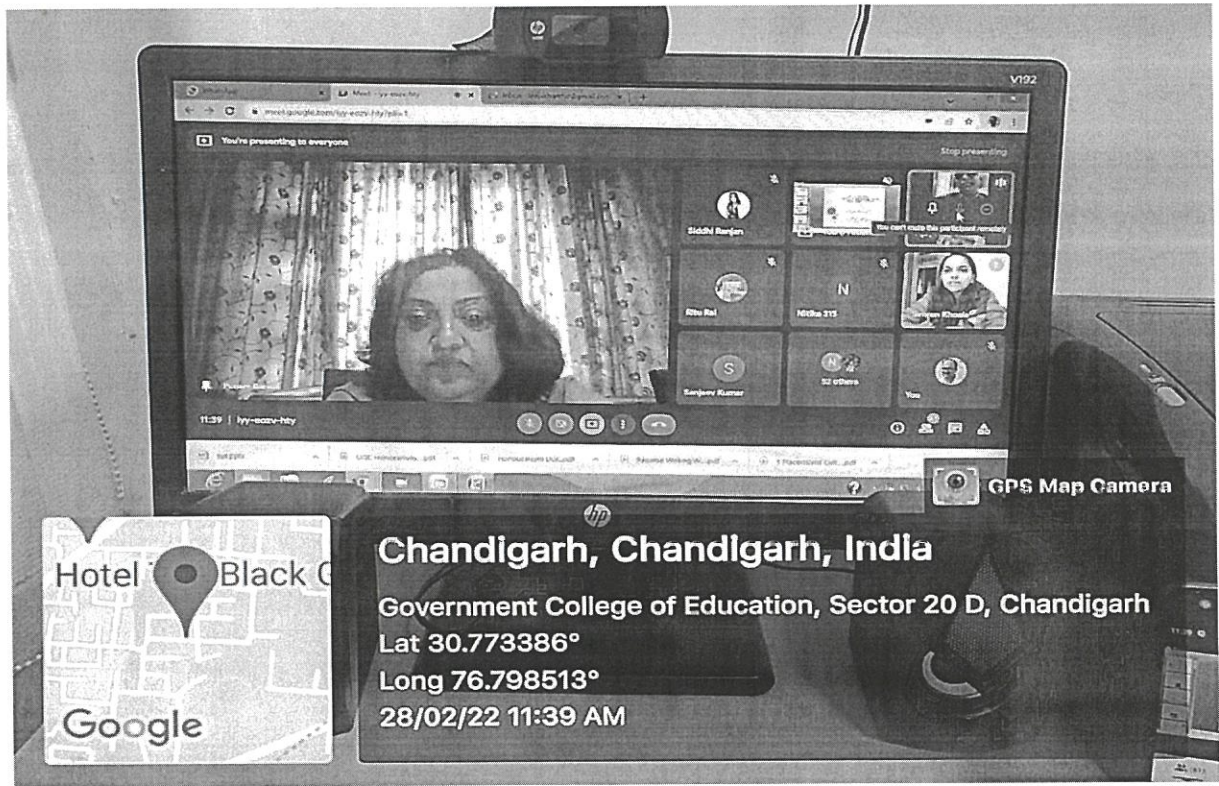

and nature will open the door to her secrets"
