

GOVT COLLEGE OF EDUCATION, SECTOR-20-D, CHANDIGARH

REPORT OF SALAD MAKING AND FLOWER ARRANGEMENT COMPETITION HELD ON 25.03.2022

The Home Science Department of the college organised 'Flower Arrangement' and 'Salad-Making' competition for B.Ed. Students on 25.03.2022 at 10.00 am.

Twenty (20) students in all participated in both the events. Twelve(12) students participated in 'Salad – making' and eight(8) in 'Flower – arrangement'. Students displayed their flower arrangement in a very beautiful and colourful manner using different flowers like roses, marigold, orchids, bougainvillea, petunia etc. A caption was also displayed with the arrangement, which reflected upon its theme. Similarly, participants of salad-making competition had prepared nutritious salads by using fruits like apple, banana, kiwis, grapes, pomegranate and other seasonal fruits. Some of them used fresh vegetables like cucumbers, carrots, cabbage, bell peppers, radish, to name a few and garnished them with dressings to give them a rich texture and tempting look.

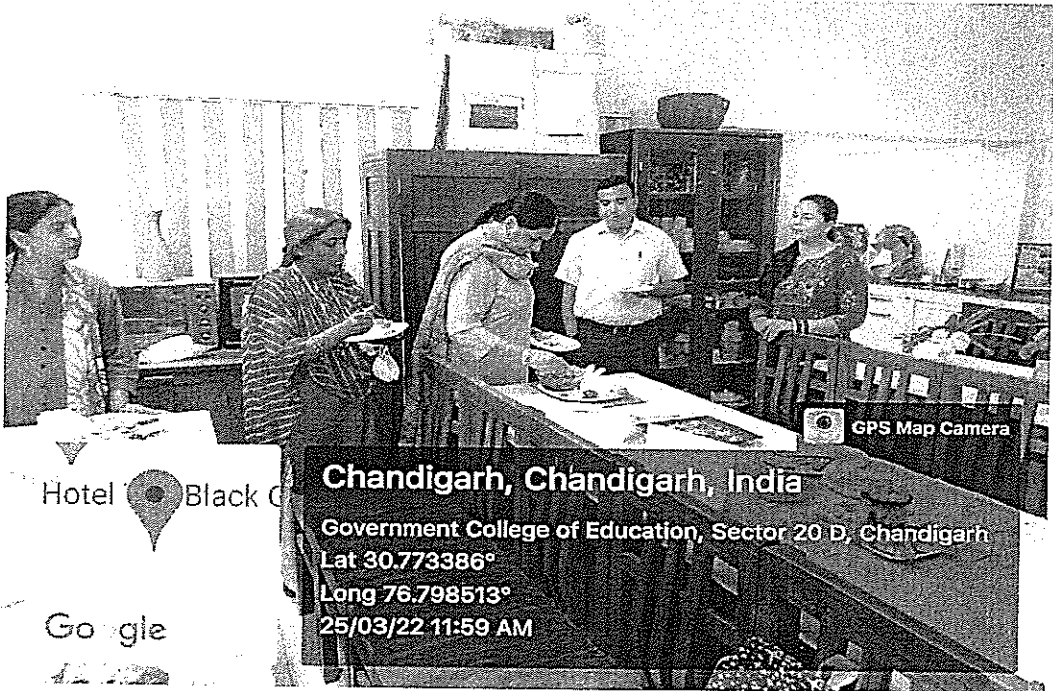

Dr Ajay Kumar Srivastava Principal of the college applauded the sincere efforts of students and appreciated all of them for their participation.

The Judges for the above two events: Dr. Savita Arya , Dr. Anurag sankhian, Dr. Ravneet Chawla, observed all presentations very meticulously and gave the judgement for both the events. Students who won prizes were:
