Principal Sir asked that everyone should self evaluate their feedback and if anyone has received lesser remarks then they should improve. Dr Kusum asked that as these performas are from semester 1st students so remarks may vary but we will have to improve. Dr. Anurag Sankhiyan shared that this is a good practice of analysis by Feedback Committee; it is as per NAAC rules and is praiseworthy work by Feedback Committee. He also congratulated the website committee for uploading the same on website to bring transparency. Principal Sir congratulated staff for receiving good remarks in Feedback Performa and asked to maintain the same in future teaching as well.
