

GOVERNMENT COLLEGE OF EDUCATION SECTOR 20-D, CHANDIGARH

PLACEMENT CELL

REPORT ORIENTATION PROGRAMME

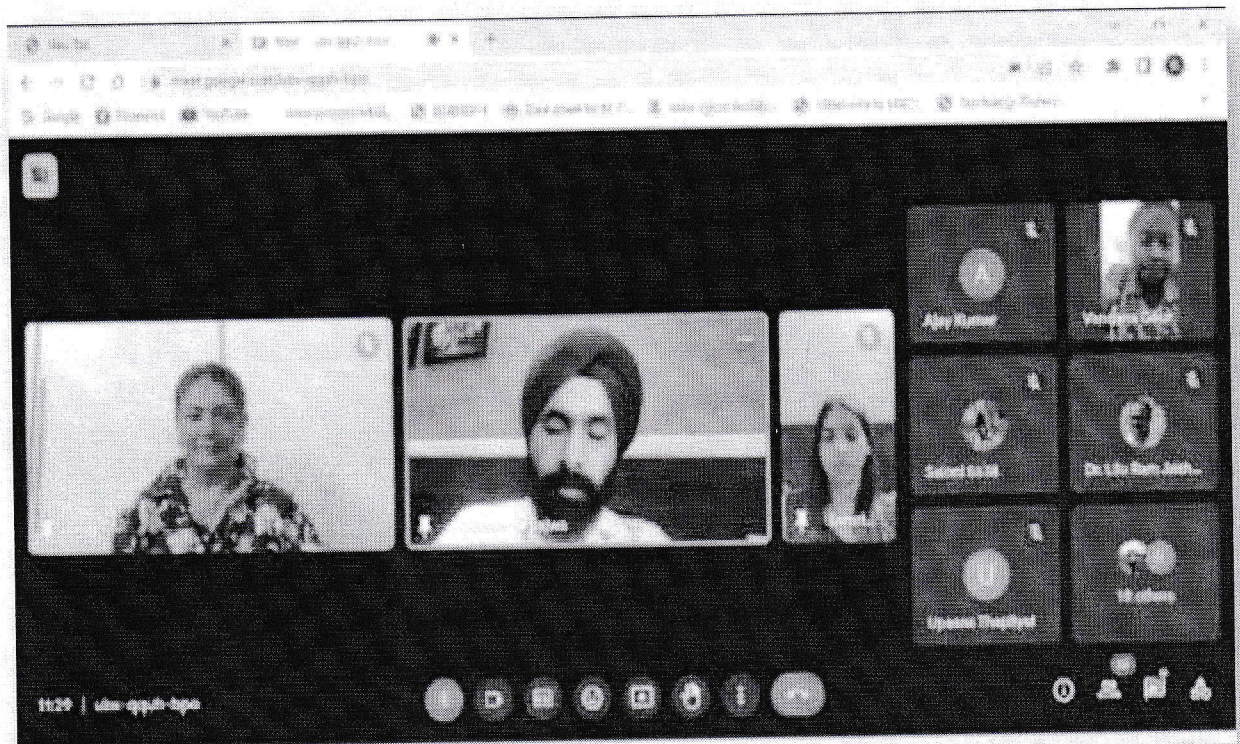

02.06.2023

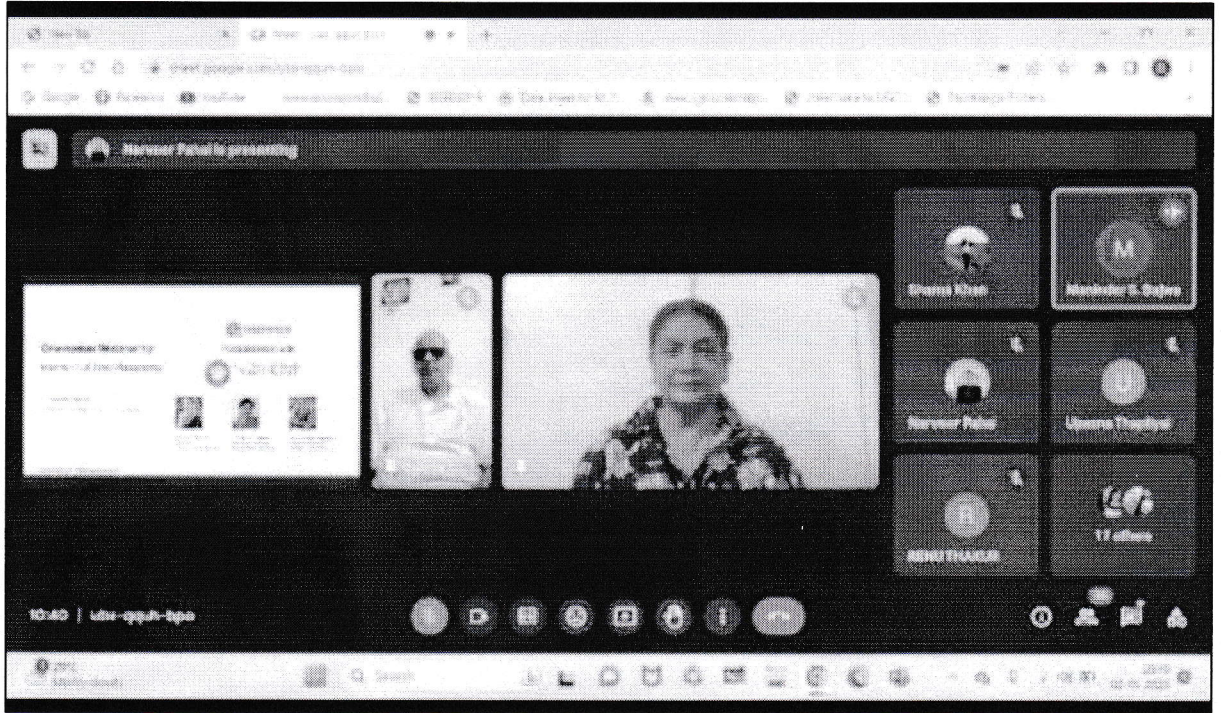

Placement cell of the college organised an online orientation seminar for interns and related job opportunities on Google-meet on 2nd June,2023. The expert for the orientation programme was Mr. Maninder Singh Bajwa who is a software engineer by profession and associated with Esparanza Innovations, Mohali, an EdTech venture since 2008. He laid a strong emphasis on technology integration in the education sector and very student who is undergoing through teacher education course has to learn basic ICT skills to be future ready.

He made students aware about the upcoming opportunities in the field of e-content development. He further oriented students about employability skills required in the digital learning platforms. Furthermore he explained in detail regarding e-content creation by elucidating the projects accomplished with NCERT and Government of Punjab. The digital content was created for the students of different schools of Chandigarh and Punjab. He said that artificial intelligence has a tremendous potential to transform the education sector.

Students asked about their queries pertaining to e-content creation and their roles as teachers in this process. Dr. Ravneet Chawla extended vote of thanks at the end of the session.
