REPORT ON LECTURECUM WORKSHOP

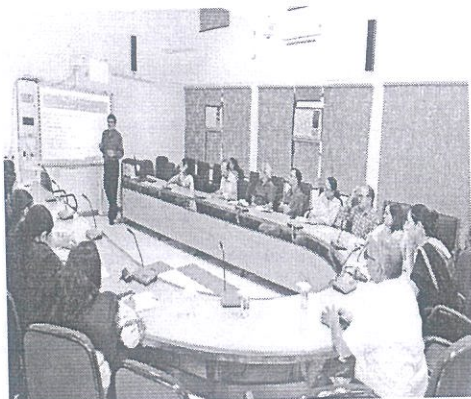

Research Centre of the college organised lecture cum workshop on "Development of Learning Materials for MOOCs " on 30.09.2024 in seminar room from 10:30 AM to 12:30 PM under the aegis of Internal Assurance Quality Cell. Prof. Sunil Dutt, an alumnus of the college and erudite scholar delivered the talk and motivated the faculty to prepare MOOCs. Earlier, he was given warm welcome by the principal Dr. Sapna Nanda. Nineteen faculty members and eight students of M.Ed and PGDCA attended the Lecture cum demonstration. He mainly dwelled upon the importance, principles and steps for the preparation of Self Learning Material (SLM). Later on, he demonstrated the steps of preparation of E-content with the help of model SLM prepared by him on the SWAYAM Portal. Lecture cum demonstration was very interesting and followed by interaction with the faculty and students.

In the end, Dr. Sunil Dutt exhorted the faculty to prepare the MOOCs on their respective pedagogy subjects. He also offered to be present for evaluating and giving the feed back for the same.
