Mathematics Quiz “Mathematrix”

The students of Pedagogy of Mathematics of the college successfully organized a quiz "Mathematrix" on April 6, 2026 to celebrate World Mathematics Day. The event aimed to promote a positive attitude towards mathematics and encourage student participation through an engaging and recreational activity. The quiz was designed in alignment with the vision of NEP 2020 which emphasizes joyful, experiential, and multidisciplinary learning while breaking the fear of mathematics especially for non- Mathematics students.

The quiz began with preliminary round of screening, in which a total of 30 students from B.Ed. , M.Ed., PGDG&C classes, participated. After a careful evaluation, 10 students out of 30, were selected for the quiz on merit basis. These selected 10 participants formed final 5 teams (Team Alpha, Team Beta, Team Gamma, Team Pie, and Team Theta) to compete in the main event. The quiz comprised four exciting rounds namely Round 1- Maths Ninja, Round 2 - Figure it out, Round 3- Risk lekr dekho, Round 4- Sense over sums along with exciting audience rounds, which added to the enthusiasm and involvement of the spectators. Each round was thoughtfully designed to test the participants' observations, logical thinking, and problem-solving skills. The students actively participated and showcased great enthusiasm throughout the quiz.

The Dr A K Srivastava, Dean of the college addressed the audience and congratulated the incharges Dr.Nisha Singh, Dr. Upasana Thapliyal and the students of Pedagogy of Mathematics who organized this quiz. The event turned out to be a highly constructive and fun-filled activity, fostering learning in an enjoyable environment. Overall, the World Mathematics Day celebration was a great success and left a lasting impact on all participants and attendees.
