07-10-2024(DAY-6) *Documentary on Wild-life*

On the last day of the week a documentary was screened in the class rooms on wild-life for the students. The purpose of the same was to awaken the minds of the students for environmental issues with respect to wild-life. It is to make them conscious about the ecosystem issues arising due to urbanization and reduction of forest areas. Another purpose was to showcasing the reasons of extinction of various wild species in the forests due to increasing encroachments by the human beings and climate change.

Principal Dr. Sapna Nanda congratulated the Incharge Dr. Ravinder Kumar and students for the successful organization of various activities during the wild-life week. She also motivated the members and students of the club to organize such activities in the future as well.
