Parents Teacher Meeting at GCE20

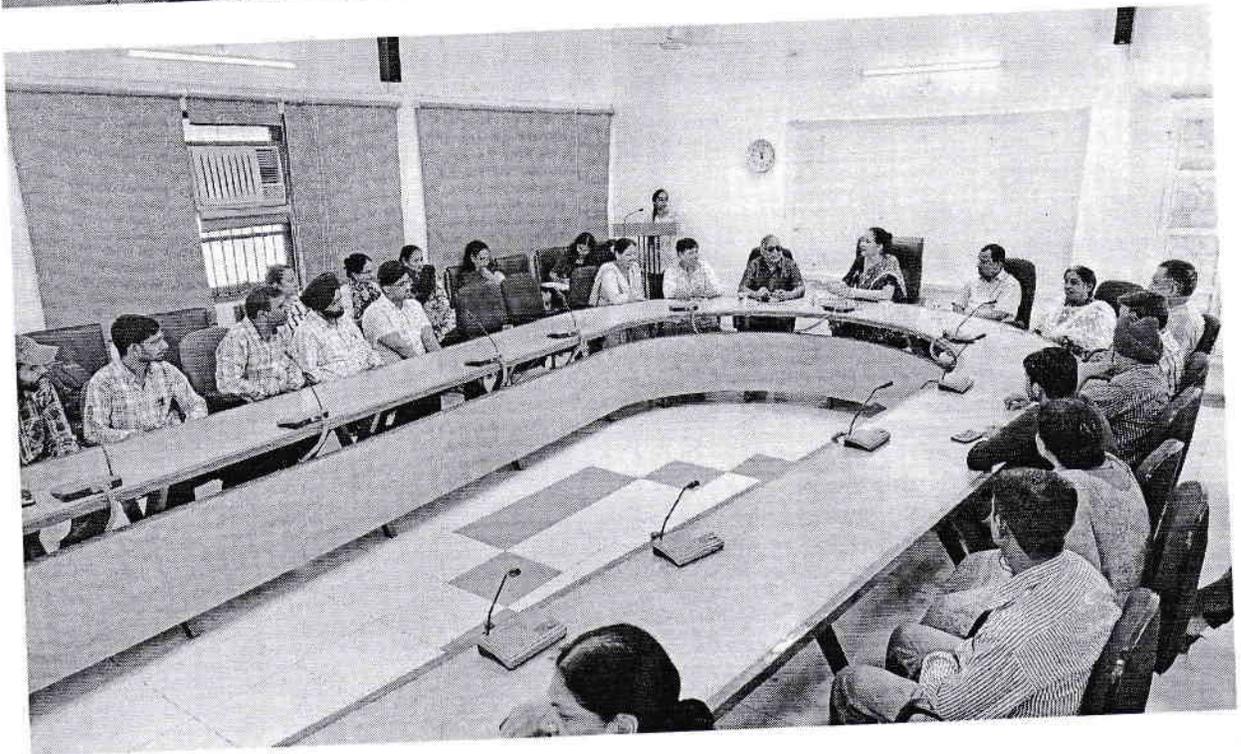

(3rd August 2024)

A Parents Teacher Meeting was held at Government College of Education, Sector 20 D, Chandigarh on 3rd August 2024. Program started with the College Anthem (Sung by: Dr. Aarti Bhatt, Assistant Professor of the college and composed by Mr. Shivam, Student of the college). Principal Dr. Sapna Nanda extended a heartily welcome to all the parents for participating in the event enthusiastically and shared the motive behind this PTM to have a healthy interaction with parents and to develop a positive rapport between the parents and the institution. In her address she highlighted the importance of exchange among the stake holders of education regarding knowledge, resources and feedback. Suggestions from parents were also sought for betterment of the performance of students in academics and co-curricular activities. She emphasized to build a collateral relationship between the stake holders of education for the holistic development of the child.

The program was followed by parents sharing their experiences and expressed their gratitude towards the college to guide their students and to organize PTM. Few parents shared their experiences of being a student of this college themselves and even some grandparents of the students as being the faculty member of the college. Dean, Dr. A.K. Srivastava extended a formal vote of thanks to all present and to make the PTM a success. The program concluded on the positive note that this collaboration will be strengthened in near future with more such interactions.
