

REPORT ON CONSUMER AWARENESS PROGRAM (CAP) ON CYBERSECURITY

Date: July 29, 2024

TRAI, Radio Madhuban (107.8 FM) & Brahmakumaris in collaboration with Cyber Swacchta Mission of Government College of Education, Sector 20-D, Chandigarh organized a Consumer Awareness Program (CAP) on cyber security, internet fraud, and safe mobile internet and DTH practices at Government College of Education, Sector 20-D, Chandigarh on July 09, 2024. This program aimed to educate school students of Government Model High School, Sector 20-D, Chandigarh about the potential risks associated with online activity and equip them with the knowledge and tools to navigate the digital world safely.

Resoucer Persons: Resoucer persons of the day were **R J Ramesh Khade** (Radio Jockey with Radio Madhuban 107.8 FM- A community Radio Station working for under-privileged sections of the local community) and **Brahmakumari (BK) Sister Neha**.

Dr Meena (Coordinator of Cyber Swacchta Mission) formally welcomed the Resource Persons, Dr. Sapna Nanda (Principal), Teachers and students of Government High School, Sector 20-D, Chandigarh. She briefly shed light on the working of Cyber Swacchta Mission of the Government College of Education, Chandigarh.

Dr. Sapna Nanda (Principal) extended a warm welcome to both the Resource Persons by presenting a planter. Madam Principal introduced both the resource persons to the College Faculty, Teachers and students Government High School, Sector 20-D, Chandigarh.

The resource person, R J Ramesh Khade's interactive session was powered with presentations, discussions, and role- playing activities which focused on:

- Cyber security and Internet Fraud:
- Understanding cyber threats such as phishing, malware, and identity theft.
- Safeguarding social media accounts and online transactions.
- Safe Mobile Internet and DTH Practices:
- Responsible data usage and avoiding data breaches.
- Identifying and avoiding online scams and misleading advertisements.
- Securing mobile devices with strong passwords and encryption.

- Practicing safe DTH subscriptions and avoiding unauthorized charges.

The programme benefitted the school students, in terms of:

- Develop critical thinking skills to identify and avoid online threats.
- Learn strategies to protect their personal information and online identities.
- Gain practical knowledge on safe mobile internet and DTH usage.
- Become responsible and informed digital citizens.

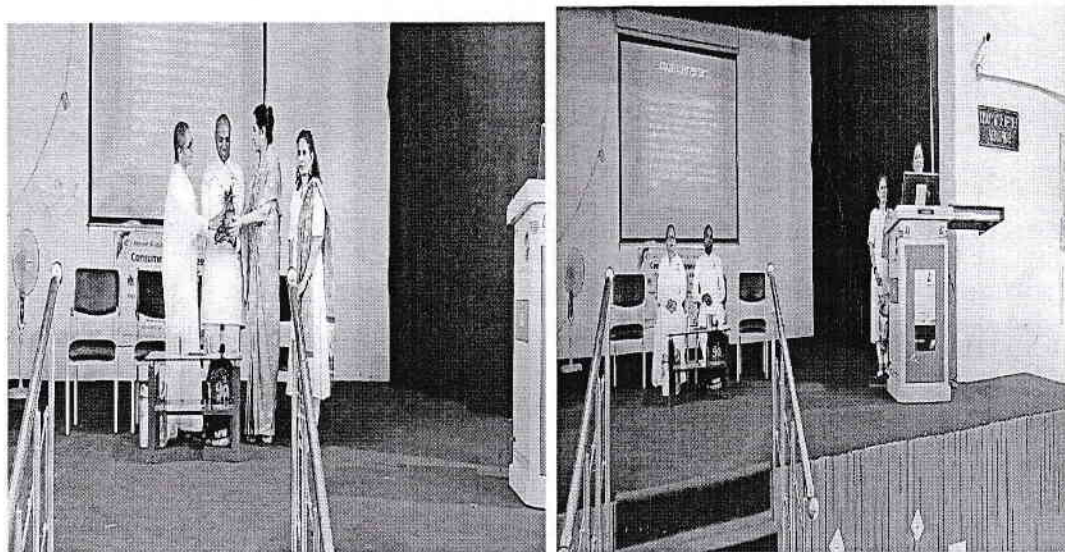

Second Resource person of the session was Brahmakumari (BK) Sister Neha. She explained beautifully that in quest for balance and inner peace, we often turn to other external things.

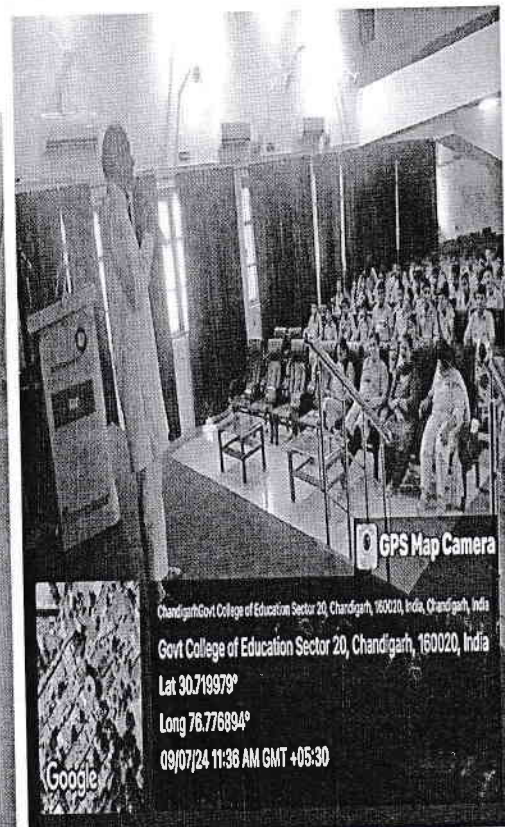

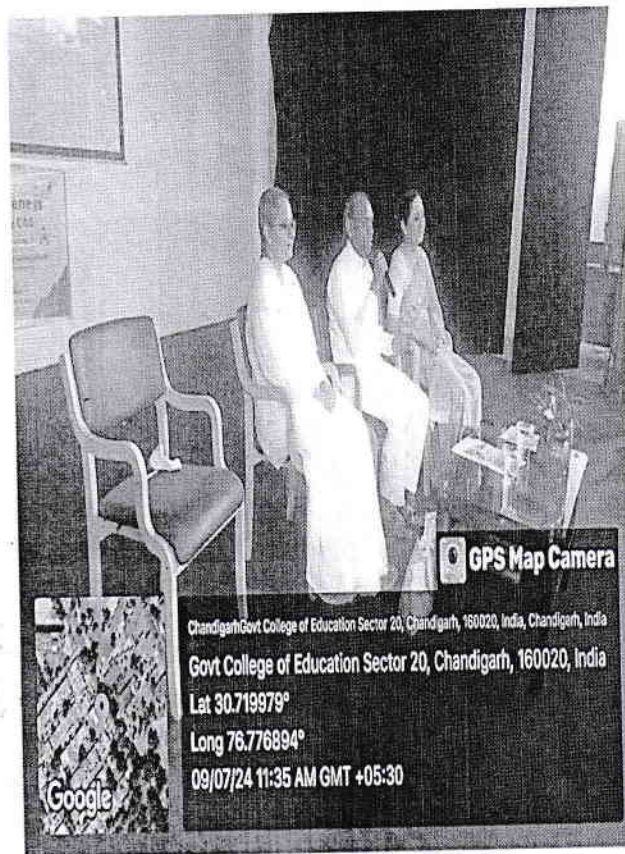

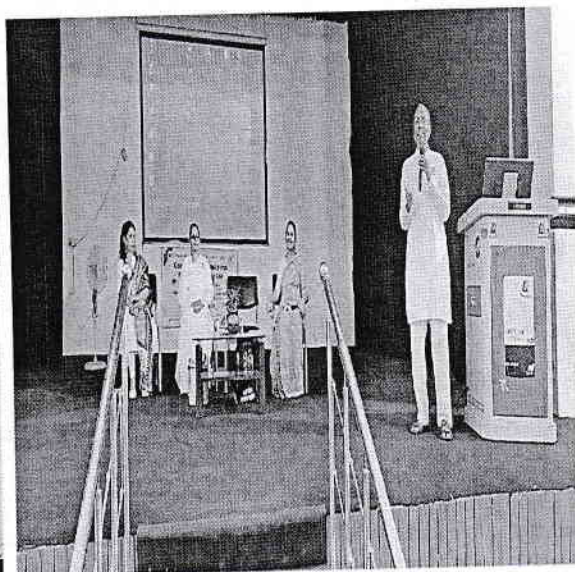

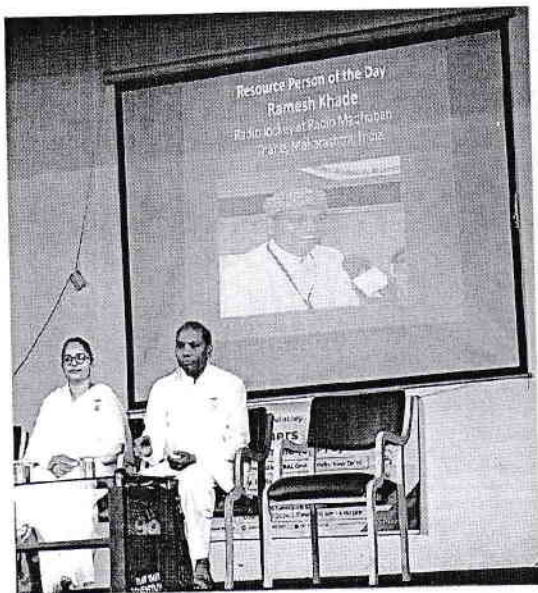

The resource person emphasized that the practice of Om Shanti Om offers:

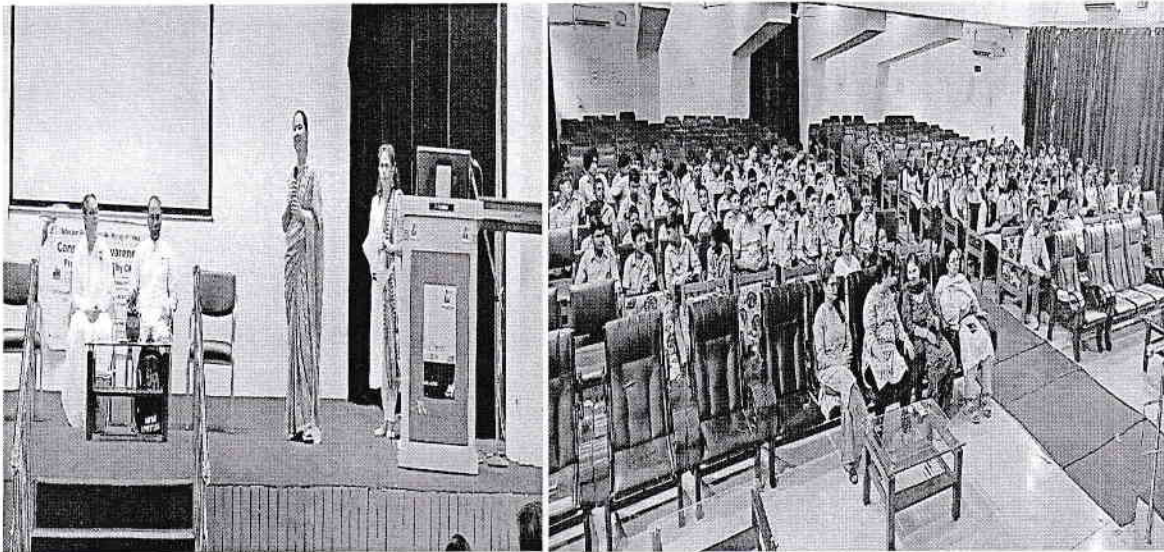

- A valuable way to cultivate inner peace and harmony through meditation and mantra recitation techniques.
- Way to mental clarity and deep calm.
- A powerful practice to achieve the state of inner peace.

Both the Resource persons RJ Ramesh Khade and Brahmakumari Sister Neha, were successful in delivering an engaging and informative programme on cyber security. Student's queries and doubts concerned with cyber issues were cleared by the Resource Persons. The programme ended with Vote of Thanks. Ninety Four (94) students of Government Model High School, Sector 20-D, Chandigarh attended the programme.
